SERVING SPORT THROUGH EXCELLENCE IN CHAPLAINCY

'A GAME OF TWO HALVES'

3rd - 4th October 2017
2nd October 2017 - Induction Training Day

THE LIGHTHOUSE CHURCH, UNIT 12, CENTENARY PARK, CORONET WAY, ECCLES, MANCHESTER, M50 1RE

'A game of two halves'. Now that's a phrase that we often hear in the world of sport. It often reflects a dramatic change from one half of the game to another, sometimes to the point that you are left wondering if it is still the same game you are watching.

This year we are celebrating 25 years of the work in Sports Chaplaincy. Within the Conference we want to take time to celebrate and give thanks for that work over the past 25 years but also look forward to the future and seek out what God has in store for us in our work in sports chaplaincy.

The conference itself is changing dramatically in style and location. Held in Manchester over

a couple of locations including the National Football Museum, we shall hold a celebration evening giving thanks to God for all his blessing. We shall once again bring high quality speakers as we explore themes around our headline title "A Game of Two Halves" and what that means in our own roles. How can we be pastoral and prophetic? Is there room for success and significance? Can we bring together mission and evangelism?

We hope that you will join us for this very significant milestone in the history of sports chaplaincy and help us celebrate and give thanks for all that God has blessed us with and explore together these important principles for our work as chaplains.
