We always play to win the game, but winning and losing is not the most important things. Typically, people play sports because they like their chosen sport. The enjoyment of a well-played game, played to your potential is also satisfying, but not maybe in the moment but certainly on reflection it can be. To be able to rejoice in the athleticism of any athlete is fantastic. However, on the day I will be willing Glamorgan CCC to win and will celebrate the occasion, the day and hopefully Glamorgan CCC lifting the trophy. So, my message to all supports and players alike on this special day is: **Play Hard: Play to Win: Rejoice in The Outcome: Enjoy the day & the Occasion.**

Well Being & Pastoral Care -As your Sports Chaplain @ Glamorgan CC my role is to provide an impartial and confidential point of contact to talk about any matters you may be worried about on or off the field, offering pastoral support. This support is offered to all connected with Glamorgan CC. including players, coaches, staff, volunteers, and families.
