

Transform Your Team – 19th February 2018 – Find your Greatness

“The world needs dreamers and the world needs doers. But above all, the world needs dreamers who do “
Sarah Ban Breathnach

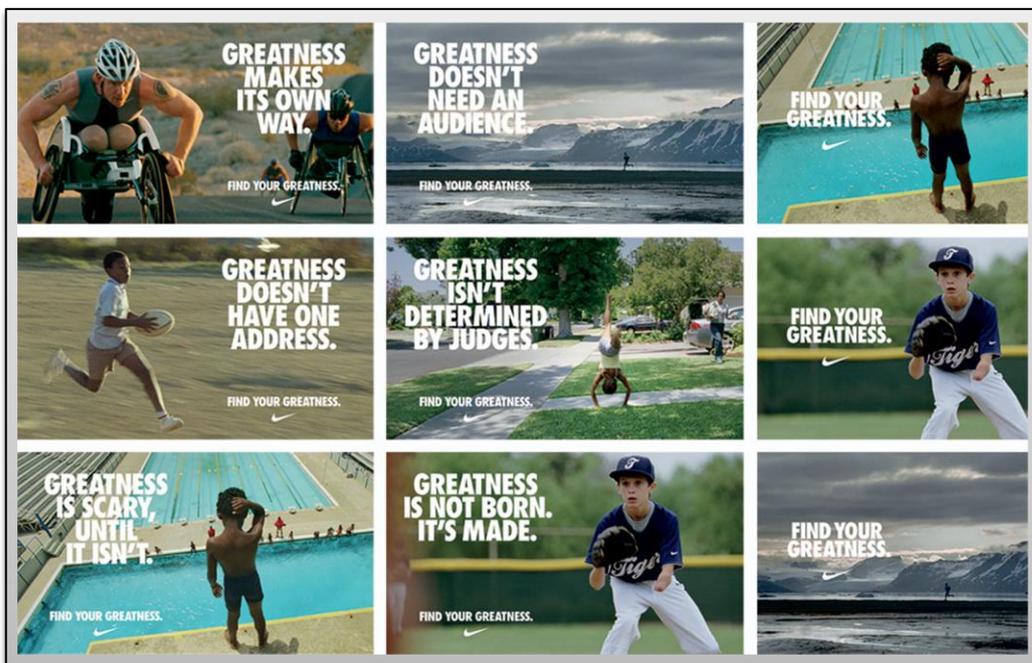

“Surround yourself with the dreamers and the doers, the believers and thinkers, but most of all, surround yourself with those who see the greatness within you, even when you don’t see it yourself.”

It’s our dreams we must believe in, it’s our dreams we must pursue, for it’s the dreamers that shape the world. Are you actively pursuing your dreams or have you set them aside until the time feels right? Or have you just all together stopped believing in their possibility?

Bring out your dreams once again to the forefront of your mind. Work to develop a vision of your goals and dreams; Once you have this clear vision, put your full faith and belief into them. Make it detailed, make it real. Then take action and when the setbacks come and disappointment looms, when anxiety tries to lock you into the familiar and fear comes to convince you to just stay put, comfortable and safe, come back to these feelings and visions of success. The world needs dreamers who do, so go do and look to achieve greatness!

Nike in 2012 produced a marketing campaign “Find Your Greatness” with the fantastic words in the advertising “Greatness doesn’t need an audience “below are some of the images from that marketing campaign.
